Interior Walls And Partitions Going Up—Stone Masons, Plumbers, Electricians All Working On Job Now—30 Horse Power Heating Plant With Five Horse Power Gas Boiler To Generate Steam For Sterilizing.

In reply to an inquiry by The Independent, as to progress at the West Lincoln Memorial Hospital, Mr. A. R. Globe, Chairman of the Board, summarized the position as follows: "Well, for the month of January we just paid the Contractor \$12,750.00 for eighty-five per cent of work done and deliveries. On further inspection of the job we found the exterior walls up and the Masons engaged cutting and shaping the stone (secured from the old building) into the Main entrance."

"On the main floor we found the interior walls and partitions going up, electrical, plumbing and heating pipes being extended everywhere, and our attention was captured by the chimney which we concluded would comfortably accommodate Santa Claus with his sack, and other dimensions complete. On inquiry we were informed that this chimney was the outlet for the 20 horse power heating plant, a five horse power gas fired boiler generating steam for sterilizing, an incinerator, and burner supplying hot water.

"For the first time one can enter by the front door and look down the three corridors, and get a real picture of what this spacious building will be like.

"In the basement we found drain lines, electrical work, Plumbing and Heating work already well advanced. In one wing set up for a warehouse, we found piles and piles of cork board one and a half inches in thickness for insulation of the walls, piles of copper and galvanized

WORK IS INCREASING FOR CHILDREN'S AID

January The Biggest Month In Some Time—225 Children Now In Care Of Society.

The month of January 1949 saw more applications for service being made to the Children's Aid Society of St. Catharines and Lincoln County than at any other time in the past six months. This was the statement made by the Superintendent of the local Society to the Board of Directors at the regular monthly meeting.

This marked increase can in many respects be attributed largely to seasonal unemployment and the ever increasing housing problem for the wage earner, particularly those in the lower income brackets.

In endeavouring to assist families falling into these categories the Society is finding itself very hard pressed.

The continued pressure being brought to bear on the local Society by a community in need, was further revealed by Mr. Roy Winger, secretary-treasurer, in presenting his budget for the year 1949. "The cost of maintaining children in boarding home care has increased immeasurably this past

NEW BARTLETT FACTORY EXPEND \$21,000 ON ROADS

Spray Plant Burned By Fire Last November Is Being Rapidly Rebuilt—Expect To Start Production In A Couple Of Weeks—New Structures Are Of Steel, Aluminum And Concrete, Providing 13,000 Feet Of Floor Space.

A day long to be remembered by Norm Bartlett, guiding hand behind the N. M. Bartlett Spray Plant and the man responsible for the manufacture of the world's finest microscopic sulphur was November 11, 1948. Aside from being Remembrance Day, it was also on this day that a sudden explosion sent flames through his sprawling plant, located east of Beamsville, and left a great portion of the plant a mass of burning sulphur and debris.

Supplier of spraying materials to a vast portion of this fruit growing area as well as fruit bearing centres throughout Canada, many growers frankly thought that it would be impossible for Norm Bartlett to rebuild and meet the regular spring orders. Impossible is a term this gentleman refuses to acknowledge, and so after but a few hours of deliberation, plans started to revolve immediately and now just a trifle over three months since the disastrous fire, a big new plant is nearing completion, and in a couple of weeks it is expected production will begin on the various types of materials turned out by the Bartlett plant.

The new buildings are of steel, aluminum and concrete construction and comprise some thirteen thousand square feet of floor space. One thing that has been stressed in the new design which is Mr. Bartlett's own, is that the plant is now fireproof as it is to make it.

FIRE TAKES LIVES OF THREE GRANDCHILDREN

E. Roy Taylor Informed Of Sad Catastrophe In British Columbia—Fourth Child Escaped From House.

E. Roy Taylor, owner and operator of Taylor's Motel on No. 8 Highway east of Grimsby Beach, was notified by telegram Sunday evening that three of his grandchildren were burned to death at Needles, British Columbia, on Saturday night.

Children of Mr. and Mrs. Vernon Taylor, former residents of Ontario, they were Phyllis, 10, David, 6, and Glen, 2. A fourth child, Sandra, aged 11, escaped from the fire-swept house in night attire. Mrs. Taylor is also reported to have escaped.

No fire fighting equipment was available to fight the flames, first noticed by passing motorists at midnight Saturday.

Needles, a community of fewer than 100 residents, is on the lower Arrow Lake in the Kootenay district. Mr. Taylor is employed on a project connecting one lake with another.

IT'S ALWAYS FAIR WEATHER, WHEN GOOD FELLOWS GET TOGETHER

FIREMEN HAMPERED BY LACK OF WATER

Fine New Home Of Peter Lake, North Grimsby, Levied By Fire—Only Small Insurance.

Fire leveled the neat farm home of Peter Lake Saturday afternoon, the blaze having gained too much headway for Grimsby firemen to cope with, plus the fact that very little water was available.

The modern home, which is not serviced by either hydro or telephone was built by Peter Lake during the war, and was the result of his own hardwork and years of saving as he strived to make a fine home for his wife and two kiddies.

Saturday he watched the flames gradually destroy the hundreds of hours of labor he had put forth,

while firemen stood by helpless to do anything but protect the two new greenhouses and garage which stand a few feet from the Lake.

Dr. A. H. Addy Of Jordan, Served People Of This District For Half A Century—Children's Ward In West Lincoln Memorial Hospital Will Perpetuate His Memory—Brought Over 3,000 Babies Into The World.

Less than a month after he was honoured for a life-time of devoted medical service is a sprawling district stretching from Jordan to Grimsby, Dr. A. H. Addy died Saturday morning in St. Joseph's Hospital. He was in his 80th year.

It was on January 15 that Dr. Addy was to be honoured in person by his friends, patients and upwards of 3,000 babies he had brought into the world.

For weeks, the secret of the presentation was kept from him. He was to be surprised when a cheque to endow a children's hospital ward in West Lincoln Memorial Hospital was to be presented to him. Sufficient funds were raised to endow the ward in person.

(Continued on page 6)

WILL REBUILD

Over the weekend Douglas Hartnett, general manager of the Canadian Wood Products, informed The Independent that the Corbett basket factory, that was recently burned at Jordan Station, would definitely be rebuilt.

Already the company have laid out plans for the rebuilding of the factory, and while no definite site had been selected or negotiations entered into with contractors, still it is the intention of the company to rebuild the plant as quickly as possible at and near the old location.

The company are hoping that they will be able to get the new building erected and equipped and in operation by spring in order to be able to give thrust growers of the dist. and at other points in province an assured supply of containers.

TOWNSHIP FARMER IS GRAND PRIZE WINNER

Besides Being A Peach King Ron Moyer Of North Grimsby, Is Now A Wheat King.

In the very first year that the County of Lincoln entered the "50 Bushel Wheat Club," sponsored by Maple Leaf Milling Co., a young fruit and grain grower, Ron Moyer, of North Grimsby Township, walked off with top honors for his top yield of Cornell 565, and was awarded \$75.00 and a handsome silver tray at a banquet of the Crop Improvement Association held in the King Edward Hotel, Toronto, last Wednesday.

Ron Moyer, a son of Ira Moyer, Vineland, distinguished himself during the late war, working up to the rank of Flight Lieutenant, and was awarded the D.F.C. and Bar for brilliant work while serving as a navigator with the R.C.A.F.

Following the war, Ron moved

A FINE MAN RETIRES

JUDGE J. G. S. STANBURY SERVED PEOPLE HALF CENTURY

Thomas J. Darby, 52, of Welland, has been appointed judge of the county court for Lincoln County to succeed Judge J. G. Stuart Stanbury who has resigned after rounding out almost 50 years as lawyer and judge.

The announcement, which was made from Ottawa Wednesday afternoon, caught local county officials unprepared. It was known that Judge Stanbury, who signed his wish to retire last December, had been asked to continue in an interim capacity until a successor could be named. However, there had been no indication that a new appointment was imminent.

The new judge has been practicing law in Welland since 1925, and has been active in community affairs there. He has long been active in Liberal Party work, having held most of the offices in the county and riding associations. He resigns as secretary of the Welland

County Liberal Association only a few days ago. He has also been county collector since 1941, and has served on Welland city council.

Born in Hitman, Iowa, Judge Darby came to Saskatchewan with his family at the age of 10 and settled on a homestead there. He recalls that it was rugged pioneering and there were times he could not go to school because of a lack of clothes. The story has it that he had a pair of pigs to raise money to go to high school.

When war was declared, the young man enlisted and saw overseas service, being gassed at Hill 70 and later wounded at Canal du Nord.

On his return from overseas, he entered the University of Toronto and then went to Osgoode Hall. He taught school during his summer vacations. Called to the bar in 1925, he came to Welland and entered

(Continued on page 2)

This Figure Is Based On A Total Population Of 2,457—Town Council Will Make Complete Sewer Survey Before Promising Citizens More Sewer Construction—Belief Expressed That Some Persons Are Trying To Discredit Police.

The fact that Grimsby's per capita debt, based on a population of 2,457, is now close to \$125, was emphasized by Councillor Douglas Scott at last night's meeting of Town Council.

"This town is badly in debt and it is a limit to how far we can go," he said, in referring to petitions submitted by residents of several streets asking for sewers on those streets. "With a per capita debt of \$125 in a town this size," he said, "we can't go too far."

Speaking briefly on police matters, Councillor Scott, chairman of the police committee, charged that "there is sabotaging going on in this town against our police force." Well-known, even prominent people are doing all possible to discredit our police," he asserted. "Our new chief has set up a system, something this town has never had before. There is a certain amount of personal spite, narrow-mindedness and even short-sightedness being shown against him and I give warning right now that unless this stops I will disclose the names of those concerned."

Reeve A. C. Price commented that he heartily agreed with Mr. Scott on his remarks regarding the police. Concerning the remarks about the town's debt, he said, "The town's debt is rapidly going up and we are fast approaching the time when we won't have the money to spend." The town, he suggested, would probably engage an engineer to go over the newer question on

(Continued on page 2)

TWO NEW ADDITIONS FOR TRINITY CHURCH

One Wing Will Be 23 x 35 Feet And Second Will Be 18 x 38—Bodies Will Be Moved.

Plans have been prepared by W. Bruce Riddell, architect, 810 Imperial Building, Hamilton, Ont., for erection of two wings to the Trinity United Church here on Main St. W. Rev. A. L. Griffith, 62 Main St. W., is minister and Harold Jeffries is chairman of the building committee.

Shafer Brothers, 10 Murray St., this town, are probable general contractors. If contract is not let to this local firm, job may go out for tender within next few weeks.

One wing, to the side of present structure will be one storey with basement. Other wing, 26 feet wide, will extend back 18 feet into cemetery at rear of present church. Bodies buried in this part of the cemetery will be moved to vacant lots in another part of the same cemetery.

Both wings will have brick and hollow tile superstructure with wood truss roof, concrete foundations, concrete floors, in basements and wooden ones upstairs, wood window sash and other wood shingle or asphalt shingle roof. Structures will also have some structural steel.

RETIRING JUDGE

Judge J. G. S. Stanbury, who is retiring after rounding out almost 50 years as lawyer and judge. He has been Lincoln County Judge for the past 12 years. Cut courtesy St. Catharines Standard.

FACTS & FANCIES

Frank Fairborn, Jr.

THE JUDGE RETIRES

Lincoln County has been most honorably and efficiently served by His Honor Judge J. G. S. Stanbury, whose retirement was announced on Wednesday. An Exeter lawyer of high standing for many years, prominent in the municipal and cultural life of that community, Judge Stanbury came here in 1926. From the very first he made friends, irrespective of party, creed or class. He has been a tower of strength and wisdom in children's court work. In the legal profession, he has held the confidence and esteem of every member of the bar.

Organizer of the Big Brother movement in St. Catharines, strong proponent of ceremony to impress new citizens as they take the oath of naturalization, Judge Stanbury has made contributions in good citizenship quite outside and beyond the scope of official judicial duties. St. Catharines and Lincoln County gained much under the system of judicial appointments when Judge Stanbury came to this community. His influence for good has been felt from the very first day of his arrival.

And best wishes are in order for happy days of quiet retirement. His Honor has just about completed 50 years in law, half a century. To his successor, Thomas J. Darby, Welland, good wishes are also extended. The new Judge has had almost 25 years' experience in legal practice, served in the First Great War with distinction and, in his earlier days, lived and studied in the Canadian West. He is qualified to maintain the highest traditions of the Bench.

WEBSTER WAS RIGHT

Back 110 years in the Senate of the United States, Daniel Webster gave voice to these words:

There are persons who constantly clamor. They complain of oppression, speculation and pernicious influences of accumulated wealth. They cry out loudly against all banks and corporations and all means by which small capitalists become united in order to produce important and beneficial results. They carry on mad hostility against all established institutions. They would choke the foundation of industry and dry all streams. In a country of unbounded liberty, they clamor against oppression. In a country where property is more evenly divided than anywhere else, they rend the air shouting agrarian doctrines. In a country where the wages of labour are high beyond parallel, they would teach the laborer he is but an oppressed slave. Sir, what can such men want? What do they mean? They mean nothing, sir, but to enjoy the fruits of another man's labor.

Great changes have occurred since Webster's day, but has human nature changed much, if at all? Haven't we about the same thing at home and abroad as they had in the free United States in 1838?

CLOTHES MAKE THE HOODLUM?

In some bewildering way, clothes seem to be mixed up in the rowdiness which is causing many an edgy nerve in at least one city these days. A curious though not new aspect about the gangs of obstreperous young men is their taste for sharp, or "drapé" slacks.

These are often worn with windbreakers, and give a strangely cat-like quality to the walk—or saunter—of the city's news-making juveniles.

It is reported that some gang members own as many as fifteen pairs of slacks. All have the drapé shape. Practically all gang members go in for this particular extreme.

Trying to curb young hoodlums with fairness and wisdom is quite ticklish. A good start might be to trade the fifteen sooty slacks for one old pair of overalls. A good week's work, bringing as it does a good week's wage and some normal fatigue, might calm the juvenile jitters of indolence, and induce sleep, not only for the gang member but for the entire neighborhood.

A cynic has suggested that another remedy would be to lock the young men up for a couple of months, not with hardened criminals, but with the delinquents' parents.

The resulting forced family life might sharpen the parents' observation of their sons' behaviour, ad perhaps some tardy but stern discipline could be counted upon.

Discipline may not be fashionable in these strange das of kindly social workers, but it's very effective, and easy to apply.

"STOLEN" MONEY

The financial critic of the Opposition, J. M. Macdonnell, without question one of the most astute men in the House of Commons, must surely have caused some squirming on the government benches when he pointed out that the government had taken \$1,200,000.00 in taxation from the people in two years which was entirely surplus money.

He quoted the famous Philip Snowden, who as Chancellor of the Exchequer in the United Kingdom had declared that "any government taking more money from the people than it needs was stealing it." Finance Minister Abbott had boasted of a surplus that would "gladden the heart" of any finance minister. And, added Mr. Macdonnell: "He doesn't know he has stolen the money from us."

The Opposition critic asked if it were wise to let a government play about with these hundreds of millions. The more money it had the more it spent, and reference was made to the tossing in of \$500,000 to help the fruit growers in the Annapolis Valley where an election was pending; also a million more to dig up old trees. "The Canadian people are entitled to have their taxes assessed this year on an economic not a political basis. There should be very substantial tax reductions. They have had their hands deep in the pockets of the people and they now should withdraw them just a little way," declared Mr. Macdonnell.

The amazing fact was submitted, the Dominion government surplus is just \$150,000 greater than the revenues of all the provinces combined. From the tenor of this critic's speech, the implication was pretty plain. The government is going to use that handy surplus of \$600,000,000 to attempt to win the general election when it comes this year. That will be a relief for thousands, of course, but will it affect the tidal vote of the country?

NEW CLERK WANTED

The clerk in the clothing store was having a thin time. His customer was a man who wanted a suit, and seemed not too fussy about what he bought as long as he could get the business finished quickly. But the customer's wife had come along, as censor of purchasing, and it was she who was spoiling the clerk's day.

Suit after suit was taken from the racks, some catching the fancy of the customer but none appealing to his wife. This one was too light, that too dark, the other wouldn't wear well.

As the customer and his wife were leaving the shop, having bought nothing, the customer dropped behind and whispered to the exhausted clerk: "Send me the blue suit."

"Yes, sir," said the clerk. "Coat and vest only, I suppose."

ADMIRATION

We have never admired young Canadian girls more than when we see them sloshing about in the ugliest boots outside of Lapland. They have enough charm from the boots upward to make one forget the hideous appearance of what they have on their feet.

But our admiration is directed toward their good sense. They have found that these snow boots and over-size goloshes will keep their feet dry and comfortable. So they wear them, instead of the pretty, silly little shoes. Sir, what can such men want? What do they mean? They mean nothing, sir, but to enjoy the fruits of another man's labor.

They have had the moral courage to defy a foreign fashion which was adopted in lands where winters like ours are unknown. They know there is a time to wear the dainty, high-arched shoes that men love to see in, and a time to discard them, just as there is a fitting time for a negligee and another time for a fur coat. What they have put on their feet is a compliment to what nature and education have put in their heads.

THE GOOD OLD DAYS THAT NEVER WERE

All that was goo in the good old days grows better with th' years; the bad fades out and is forgotten. The good old days, as they seem now, ever were, but the pleasures of them, the friendships, the simple joys, and the solid satisfactions were and are real and enduring.

The evil g's which are upon us are never as bad as our fears make them. Because evil is not wholly overcome, it seems to grow as ev' to combat it fall. In our day men are so concord with the evils they contend with that the pleasures seem few and fleeting; but when chance dims this scene, its shining tower'll be the joys and the good deeds which met these the good old days of tomorrow.

The truths which can make al ds good days shine through the sorrows and the trials of the good old days and the bad newdays, which are never as good as as bad ashey seem to be.

Cheese and salt meat should be spaghetty eat.

CONTINUATIONS

EXPEND \$21,000

agreement.

The Council in recent session forwarded a motion calling for a reopening of the judgment concerning the Depot Street crossing. Eighty per cent of the maintenance is absorbed by the railway, while the Town of North Grimsby and the Township of North Grimsby each absorb ten per cent. Five per cent is returned to the town, but the Township have been forced to take the entire ten per cent, and it is to this end that the Township have made an application to have the matter ruled.

The following letter from A. K. Dymet, Assistant General Solicitor for the Canadian National Railways, addressed to the Board of Transport Commissioners gives the railway's views of the situation, as they interpret the protection at the Depot Street crossing.

Montreal L.

Feb. 5, 1949.

P. P. Ballinger Esq.,
Secretary,
Board of Transport Commissioners,
Ottawa, Ont.

Dear Sir:

File 977—Protection at Depot
Street, Grimsby, Ontario.

I have your letter of the 17th ultimo in connection with the application made by the Township of North Grimsby for reconsideration of apportionment of the maintenance and operation expenses of manually-operated gates protecting the above mentioned crossing.

The manually-operated gates gates were installed under Order No. 6222 dated February 12th, 1938, which placed the entire installation under the Railway and divided the operation and maintenance expenses 80% against the Railway, 20% against the Township of North Grimsby, and 10% against the Village of Grimsby.

Depot Street is one of the streets in Grimsby leading to and from the Queen Elizabeth highway, and since completion of this highway in 1941 traffic over Depot Street has increased to have increased about 30%.

We understand that the Township of North Grimsby is making a great effort to reduce taxes. In the opinion of our Officers there is no reason why the Township of North Grimsby should be relieved of its portion of the cost of maintenance and operation of the gates, unless this expense is taken over by the Town of Grimsby. The Railway should certainly not be called upon to have its portion of the cost increased.

As the Board's file will indicate the Railway made application in 1937, as a matter of economy, to replace the manually operated gates with bars and wigwag, but the application was refused by the Board in Order 9437, dated April 20th, 1937.

We respectfully submit that the crossing could be adequately protected by flashing light signals and bell at considerable economy to the Railway, the Township and the Town, and we would ask that this matter be given further consideration by the Board.

I am sending a copy of this letter to Mr. J. G. McCallum, Clerk, Township of North Grimsby, Ontario, Canada.

Yours truly,

A. K. Dymet.

Assistant General Solicitor.
This is followed by a communication from North Grimsby's solicitors, Lancaster, Mix & Sullivan, and outlines clearly just what the Township offer as their reasons for re-opening the present ruling.

St. Catharines, Ont.
Feb. 7, 1949.

Secretary,
Board of Transport
Commissioners,
Ottawa, Ontario.

Dear Sir:

Re C.N.R. Level Crossing at

Grimsby to Township of North
Grimsby.

The Township of North Grimsby, for which we act as solicitors in connection with the re-opening of the question and obtaining a ruling for the matter of the level crossing over the Canadian National Railway on Depot (Ontario) Street in the Town of Grimsby.

This question was dealt with under Order No. 6222 dated February 12th, 1938, and also by further Order No. 64227 dated April 12th, 1937.

Since the last application by the railway conditions respecting traffic at this point have been substantially altered. The Queen Elizabeth Highway was completed since then and by reason of this and other alterations to the highway system this particular crossing is used very little by the residents of the Township of North Grimsby.

Due to the fact that the connecting link to the Town of Grimsby from the Northern lane of the Queen Elizabeth Highway is a graded curve and the principal approach from the Southern lane of the said Highway is under a low, narrow angled subway, practically all heavy semi-trailer trucks entering and leaving the business section of Grimsby use Kerman Avenue

and Nellie Road, the former unprotected, the latter having an unlighted wig-wag over the railway crossing. The Township of North Grimsby would like to see some form of protection for the crossing at Kerman Avenue and a lighted wig-wag at Nellie Road instead of the unlighted one at present.

A by-law was passed authorizing the spending of \$20,000 to cover costs and additions to the recently completed sewage disposal plant, interest rate for the first 10 years to be three and one-half per cent, and three and one-half per cent on the balance up to 20 years.

A by-law provided for expenditures of an estimated \$20,000 for construction and maintenance on town streets during 1948, 50 per cent of which, if approved, would be refunded by the Department of Highways.

Appointment of a third police officer to replace Constable George Roy, recently resigned, was left in the hands of police committee, this committee to recommend an appointment and council to ratify such choice at a salary of \$1,600 per year.

Assistance of North Grimsby Township Council will be sought in an effort to have Lincoln County Council take over Murray Street, Lake Road and Kerman Avenue as county roads. Speaking on this Deputy Reeve A. A. Constable said: "Every effort should be made to break down the apparently existing animosity between the town and township. It is not going to get us any place until the two municipalities can present a solid front at County Council."

Application of Clyde Alway for a taxi licence was refused by a 4-3 vote.

A special meeting will be held on February 18 to discuss the year's budget and strike a tax rate.

C. D. Millyard brought up the question of the placing of street name signs on all town streets and stated that the Lions Club would help in this matter.

Four applications for the position of manager were laid over until this Friday night.

It is expected that the sum of \$30,000 will be required for roads and other Board of Works requirements this year. Of this amount the Department of Highways will pay 50 per cent.

The application for a building permit for the erection of a house by James Dandy, was turned down.

Frank Stridebridge again requested council for the construction of sewers on Robinson street north and John street stated that there were several septic tanks in the area that were overflowing.

General accounts voucher for \$1,600 was ordered paid.

It is expected that the new pump fire truck will be back from the factory ready for duty within 30 days.

JUDGE J. G. S. STANBURY into a law partnership with George H. Pettit, former M.P. for Welland.

Judge Darby told The Standard last week that he hoped to assume his new duties here as soon as possible. He said he would have to wind up the affairs of his own law practice, and would consult members of the local Bar as to when it would be best to take over.

Judge Stanbury is retiring after 12 years as County Judge for Lincoln, which followed 27 years as a practicing lawyer in Exeter. Born in Bayfield, the son of a doctor, he enrolled in University of Toronto and graduated in 1934. He was a prime mover in formation of the Intercollegiate Debating Union and was also president of the Literary and Scientific Society, which was then the student governing body for the entire university.

After completing law studies at Osgoode Hall, he started a practice in Exeter, and played a prominent part in community affairs. He was on the board of education for eight years, was president of the Liberal Association there, and for 16 years was secretary-treasurer of the Exeter Horticultural Society.

Appointed a King's Counsel in December, 1935, he was named county judge for Lincoln the following autumn. He was also appointed Juvenile Judge and has done much work in combating juvenile delinquency. Shortly after he arrived here he organized a local Big Brother Movement.

Judge Stanbury has always been a strong advocate of dignity in the courts and a champion of administering justice in a proper atmosphere of decorum. He has also paid considerable attention to the problems of naturalization and citizenship, and has developed an impressive ceremony for his naturalization courts where now Canadians take their steps toward citizenship. Many of his ideas on this subject were incorporated into the new Canadian Citizenship Act.

PER CAPITA DEBT

the streets involved "and then we can go back and tell the people what we can do."

Reeve Price presided at the meeting in the absence of Mayor C. H. Lewis, whose mother died on Thursday. A motion of sympathy to Mayor Lewis was passed and council members, together with a considerable number of citizens in attendance, stood for a minute of silence.

A delegation from the Lions Club asked permission to develop and clean up a municipally owned property on Main Street west of Nathan in 21 languages.

USE 21 LANGUAGES

The world-wide advertising program for the second Canadian International Trade Fair, to be held in Toronto next May 20 to June 10, is being conducted in 210 publications in 21 languages.

Grimsby Camp Meetings

CHAPTER VI

As I know but little about Mr. Phelps' work as an evangelist, I asked his old friend, the Rev. J. H. Robinson, to write a short statement concerning this very interesting part of his religious work, and received the following in reply:

To Mrs. H. YOUNMAN,

ST. CATHARINES:

"Your proposition to write a souvenir booklet of Grimsby Park is a bright idea, and I have pleasure in writing a few lines about the late President.

"By the Conference of 1873 I was appointed to the Merriton Circuit, of which Noah Phelps was recording steward. In his home I spent the first of the three years of my pastorate there. A strong friendship was then formed, which continued until he triumphantly "crossed the bar."

"At our first meeting I realized that he was a man of more than ordinary ability and strong spiritual life. He loved his home; his family was happy in his presence; his many friends were always welcome, and he exercised the grace of hospitality in a large measure. He was the leading personality in his own church and in the town; to him the people flocked for advice and assistance. He was a benevolent and liberal supporter of the Church.

"From him I learned much that has aided me, especially in revival work. We had many revivals on the circuit, and I accompanied him to several places for evangelistic work; also, I had his assistance in some of the churches where I have ministered since.

"It was at this time he lost his hand, which opened his way to engage so extensively in evangelistic work. It is one characteristic of this work I will mention. The love of Christ constrained him to give the best he had for his fellowmen. Refusing even travelling expenses, he went from place to place preaching, praying, singing, visiting from house to house, the prisoners in the jails, the sick, the needy, persuading rich and poor to be reconciled to God.

"He loved the children. At the beginning of his Christian life he went heartily into Sunday School work. In revival meetings he sought out the children, and whenever he went they gathered about him. His addresses to them after Sunday School were interesting and persuasive. Often many sought salvation. In conversation with them privately about their pets or studies he had the happy art of turning the subject and dropping the good seed. 'Children's Day' at Grimsby Park was one of the most interesting of the season, when 'Uncle Noah' led the procession to the grove, and entered heartily into their youthful sports.

"He was a good organizer, and a born leader of men. At times, when people looked for some one to mark out a way, his voice was heard, and they readily followed. He had a strong will, great courage, deep sympathy, broad views, intense earnestness, and strong faith in God, which gave him wonderful power with an audience. I have seen a whole congregation move forward in response to an appeal to believers to seek a richer baptism of the Holy Spirit, and the unsaved to come to Jesus. In pointing penitents to Christ, he had great wisdom, seldom failing to lead them at once to full and joyful trust in Christ.

"In many parts of Ontario he conducted evangelistic meetings with marked success, and in large towns or cities like Belleville, Barrie, or Hamilton, two or three hundred were converted in meetings of two or three weeks.

"The power of concentration was possessed, greatly to his success. I have known him to go from the office, where important financial matters perplexed the company, to the week evening prayer-meeting, where he took part as if he had just come forth from a live devotional meeting. Business had attention early and late, but did not interfere with the prayer-meeting. When he took two weeks for camp-meeting, or to help a brother, the business was left behind. Not slothful in business; fervent in spirit; serving the Lord."

"In personal conversation he had great tact and practical wisdom in dealing with souls. It was a common occurrence for persons to break down and cry to God for mercy in the office, or shop, or home. In prayer he talked with God—so tender, appropriate, comprehensive, fervent, so truthful he took hold of God's promises.

"Some authors were read and admired, but the Bible was his choice, his daily counselor. To him it was the Word of God. He talked of its truth with a confidence and earnestness that stirred men. He believed and, therefore, spoke. He knew the Gospel to be the power of God unto salvation.

"The evident object of his sermons and addresses was the salvation of lost men. They abounded with illustrations gathered from Scripture, experience and observation.

tion. Many of them had a thrilling effect. It is a great loss that they were not gathered into a book of striking incidents in evangelistic work, or better still, if a biography could be written of our brother, illustrated by scores of remarkable answers to prayer, great awakenings, sudden conversions, enemies reconciled, difficulties settled, power of testimony, and the leading of the Holy Spirit. He did a grand work for his Master. They that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever."

"(Signed) J. H. Robinson.
Palmerston May 24th, 1900."

THE REV. DR. WAKEFIELD

As the man who preached the first sermon in the Grimsby Camp-ground, forty-one years ago, and who is still with us, as vigorous apparently as ever after forty-nine years of active work in the Methodist ministry, the Rev. Dr. Wakefield deserves rather more than a passing notice.

He is often absent from the yearly gathering in this historic place, and to those who are of the older dispensation he forms a link with the past which it is hoped will long continue to exist.

In an old copy of the Camp

Jack McCauland, who has been undergoing treatment at Sunnybrook Hospital, Toronto, for the past several weeks has been able to return home very much improved in health.

GOSPEL HALL
Adelaide St., Grimsby
EVANGELISTIC SERVICES BEING CONDUCTED NIGHTLY AT 8:00
(Except Saturday)
SUNDAY AT 7:00
Speaker: Mr. Alex. Philip, Abberdon, Scot.
Mr. George L. Millyard, Grimsby.
ALL ARE WELCOME
(No Collections)

Mayor Clarence W. Lewis has been confined to his home the past week with an injured ankle.

Dr. R. C. and Mrs. Copeland were visitors to Chicago last week in attendance at the Chicago Dental Convention.

Clifford MacCartney has been confined to Sunnybrook Hospital, Toronto, for treatment the past 10 days.

George Curtis had the misfortune to slip on the floor at his home last Friday and break a small bone in his ankle.

Trinity United Church Treble Choir and Trinity church choir have been entered in the Kiwanis Musical Festival in Toronto, which will be held February 21st to Mar. 5th. Both choirs are under the leadership of Mr. Donald Kennedy.

Mrs. A. Miser, Main E., received the sad news of the sudden passing of her sister, Mrs. J. H. Horton, of St. Catharines, on Monday, Feb. 14th. Funeral services were held on Wednesday from Butler Funeral Home, Duke St., St. Catharines.

HOSPITAL AUXILIARY

Annual meeting of the Grimsby Branch of the Ladies' Auxiliary of the West Lincoln Memorial Hospital will be held at the residence of Miss Crane, 159 Main West, at 2 o'clock on Thursday, Feb. 24th, 1949.

WELL BABY CLINIC

Two regular clinics held 1st and 3rd Tuesday in February in St. Andrew's Parish Hall. Total attendance—25.

Volunteers, Mrs. Leslie Larson, Mrs. Jane Smith, from Women's Institute.

Medical Officer of Health Dr. Jan Jetta.

Births

POWELL—On February 14th, to Mr. and Mrs. J. A. Powell, Queen Street, Milton, Ont., a son.

MORGAN—Mr. and Mrs. J. Peter Morgan (formerly Douglas G. Dick, Reg. N.) of 253 Ritson Rd. South, Ottawa, announce the birth of their daughter on Thursday, February 19th, 1949, at Ottawa General Hospital. (Name Elizabeth Kelly).

Grimsby Bible Society

Rev. J. P. McLeod, Minister

SUNDAY, FEB. 20th

10 a.m.: Sunday School.
11 a.m.: Confident Callaphas.
7 p.m.: Four Anchors.

EASTERN STAR

The officers and members of Expositor Chapter, Hamilton, were guests of Grimsby Chapter, No. 195, O.E.S., at their regular meeting on Tuesday evening, Feb. 15.

Mr. Harrington, who is the District Secretary, attended the World Conference of Bible Societies at Dunblane, Scotland, last summer, and also visited the headquarters of the Bible Society in London, England. He will be able to present a close-up picture of world-wide Bible Society developments.

St. John's W.M.S.

A large number of members and friends attended the W.M.S. Missionary Society meeting held at the home of the district president, Mrs. Stevenson, Mountain St., on Thursday afternoon.

Rev. J. P. McLeod was the speaker for the afternoon and gave an address on China. With the aid of a map and charts, he was able to bring to his hearers some idea of the vastness, and the millions who make up one of the most populous in the world. The topic being "Enter China," it proved to many very helpful in understanding the difficulties encountered by those who undertake religious and educational work there.

The devotional exercises were charge of Mrs. J. Tait and Mrs. A. Stevenson. A reading by Mrs. J. P. McLeod and a solo by Mrs. D. McIntosh were given. Mrs. James Wray gave as current events, the teaching of religion, mostly the New Testament, in schools in China and India.

Mrs. W. E. Burke, W.M.S. President, was in charge of the business period which included a report by Miss M. Phillips on the Presbyterian held in Hamilton recently.

The Day of Prayer on March 4th, which will be held in St. John's was announced.

The trustees, assisted by the social committee, served lunch at the close of the meeting.

LIONS CLUB ENTERTAIN LADIES

SUCCESSFUL GREATCOAT

LENA DAVIS CHAPTER I.O.D.E.

The Annual Meeting of the Lena Davis Chapter, I.O.D.E., was held on Monday afternoon, Feb. 17th, with Mrs. F. J. Thomson, acting Regent, presiding, in the absence of Mrs. Ramage, Regent, who was confined to her home through illness.

Various monthly reports were heard, including the post-war work, which showed a shipment of clothing and knitting to the value of \$49.00, ready for Headquarters.

The Secretary's Annual Report was read by Mrs. C. R. Wray. In briefly reviewing the activities of the past year the facts showed that in 1948, under the splendid leadership of Mrs. C. C. Ramage, the Regent, was another gratifying year for the Lena Davis Chapter, I.O.D.E.

There were 4 Business, 4 Literary and 3 Executive meetings. The Literary consisted of an instructive talk on Education by Mrs. A. G. Richmond, then Principal of B.H.S., a most informative resume of "Olden Days" in Beauville and vicinity, given by Mrs. Robert Kemp, who we regret deeply has since passed away; a "Pageant of Fashion," sponsored by the Lux Educational Division of Lever Bros. Ltd., and ably presented by Miss Doris Winchester, of Toronto, and "Flower Arrangement and Decoration," charmingly demonstrated by Mrs. N. Cole of Coler Florists. The Literaries also included quiz programs, current events and varied musical selections.

Such projects as Bridges, dunes, and the Annual Sacred Concert, provided the finances for carrying on the business of the Chapter.

There were 50 grad-up members, and the Chapter lost a valued member of long standing in the passing of Mrs. R. T. MacIntyre, and lost three other members through their removal to other cities.

A wreath was placed on the Crossroads and flags on the Soldiers' graves on Armistice Day. Flowers were kept on the Crossroads during the summer.

The Chapter members attended Divine Service at Vineland United Church on Sunday, May 25th.

Educational Work—This was broadened during the year to include Campuses, Tintern and Hillside schools. Cash prizes and books were presented by the Regent at the Annual Commencement Exercises of B.H.S. A prize was donated to the winner of the Empire Day Contest in each of the 11 schools of the district, and personally presented by a member of the Chapter. Twenty I.O.D.E. calendars were placed in the various schools. Total amount spent on Educational work was \$74.66.

Echoes—Items of interest were sent in to "Echoes," the Order's magazine, and there were 56 subscriptions.

Empire Study—This was included in all regular meetings, and proved most instructive and informative, covering a wide variety of subjects.

Press—There were 41 releases, recording meetings, special events, etc., and 15 paid insertions.

Correspondence—21 letters were written during the year, and 12 Convalescent cards sent.

Child and Family Welfare—12 persons were remembered at

Christmas time, to the value of \$30.00 and clothing to the value of \$20.00 was donated.

Ex-Services Personnel—Food boxes and tobacco to the value of \$12.00 were sent to veterans in hospital, and 5 visits were made.

Post-War Work—Knitting to the value of \$100.25, Sewing at \$192.10, used clothing at \$60.00, and 7 20 lb. Food Boxes for Britain at \$37.50, were forwarded to Headquarters during the year.

Treasurer's Report—The report showed Receipts—\$603.55 and Expenditures—\$571.72; Balance on hand, Jan. 1948, \$122.81.

Following the Annual report, Mrs. Thomson spoke of the capable and efficient leadership given the Chapter by the retiring Regent, Mrs. Ramage, during her two years in office, and of the long and exacting service rendered by Mrs. B. Richardson in her eleven years as Treasurer. Mrs. Thomson also expressed the gratitude of the members, not only to the retiring conveners, but to the entire Executive for their splendid work and co-operation of the past year.

The report of the nominating committee was then received from Mrs. R. Potter, and the election of officers took place.

Executive for 1949:

Regent—Mrs. C. J. Freeman.

Vice-Regent—Madame E. O. Konkle, S. T. Crest, C. C. Ramage.

Secretary—Mrs. F. J. Thomson.

Asst. Secretary—Mrs. C. Lampman.

Treasurer—Mrs. C. I. McKellar.

Administrative Secretary—Mrs. C. R. Wray.

Echoes Secretary—Mrs. C. W. Elmore.

Ex-Services Personnel and Child and Family Welfare—Mrs. Chas. Wilson.

Empire Study—Mrs. Harold Culp.

Post-War Services Convener—Mrs. Wm. Morris.

Post-War Aids—Madame J. B. Stillwood, C. H. Prudhomme, Jim Cressman, J. Flattie and E. O. Konkle.

Convalescent Cards—Mrs. H. Cox.

Expense Fund—Mrs. Wm. Watson.

Platist—Mrs. R. B. Richardson.

Councillors—Madame L. Hippie, R. G. Wilcox, R. Potter, S. F. Rose, E. Brooks, J. Philbrick, C. H. Prudhomme, Wm. Morris, E. Culp and Miss S. Daugler.

Mrs. Freeman, the incoming Regent, spoke briefly of plans for the new year, and urges the members to give continued and loyal support to the work of the Order, most necessary in curbing subversive elements. The members then stood and re-affirmed their allegiance to King and Country in repeating the Oath of Affirmation of the Order.

VALENTINE PARTY

Pupils of Alway School held their annual Valentine Party on Monday afternoon in the school. Games and contests were enjoyed under the direction of Shirley Williams, Raymond Thomas, Adeline Weninger, Ralph Walker and Violet Weninger. Contest prize winners were Mitchell Williams, Jack Rintje, Russell Skrypa and Raymond Thomas. Postmen distributed the valentines and the lunch consumers served ginger ale and beautifully decorated valentine cakes.

MISS MAY CRITTENDEN,
Resident Staff Correspondent.
Telephone Your News Items To Her.

Mrs. L. Clark and Mrs. A. Jones spent a few days in Toronto last week.

Anne and Helen Moyer from Rockwood visited with Jill Garrison Sunday.

The meeting of the Grimsby Beach Women's Institute will be held at the home of Mrs. W. H. Bett, Feb. 24th, at 2:30.

Mrs. E. H. Burgess has returned from Hagerstown, where she has been visiting her son and daughter-in-law, Mr. and Mrs. Gareth Burgess.

Mrs. Helen Book had the misfortune to fall and break her left wrist last week. She has gone to Toronto with her daughter, Mrs. J. Rush for a few weeks.

The meeting of the Women's Institute was held at the home of Mrs. Morris Udell, Thursday, Feb. 10th. Mrs. J. Rawcliffe, Sec. Vice President, conducted the meeting. Mrs. Eric Gardham had charge of the programme and gave a very educational reading on Chlorella, a small plant grown from water and the sun. Mrs. Garham also had an open discussion on sugar cane from the time it was ready to be harvested to the manufactured product. The members gave a vote of thanks to Mrs. Garham for the enjoyable meeting. Tea was served by the hostess, assisted by Mrs. G. Mould and Mrs. G. Hill.

Akela announced the various groups of Cubs who will meet at different times to proceed with the handicraft work the Pack has taken on. This is an ambitious project, but judging from the enthusiasm of the Cubs, promises to be a successful one.

Cubs, skates, hockey sticks and extra-smooth ice on the school rink added up to an inevitably good game of hockey before the cubs disbanded.

WOLF CUB PACK

Michael Marshall was invested at the opening Grand Howl and placed in the Brown Six.

The Collector's badge was presented to Graeme McIntosh and the Athlete badge to Robert Mowgli, to each charge of the games period.

The book-balancing group of Billy Parnell, John Christie, Grant McIntosh and Harry Harrison passed their test. Second Star tasks were completed by Jim Hand, John Headip and Murray Shaw with their parents being the examiners. Ian Tenant passed the time test along with Jerry Blaine.

The Pack is planning on having a Parents' Night at a very early date. The rest of the Lair curtains should be in use at this week's meeting.

Friday, Feb. 18, is the Annual Meeting of the Fruit Belt District of the Boy Scout Association at which all Group Commissioners and leaders are to meet. Provincial Commissioner Tiebold. The meeting is to be held in the Parish Hall at 8:00 p.m.

CONSERVATION FILMS
SHOWING WILD LIFE

Girl Guides Are Sponsoring
The Showing Of Two Fine
Pictures At Beamserville
Community Hall.

It has long been the hope of the Guiders of West Lincoln Division to be able to bring to this area one or more of the films produced by the Carling Conservation Club. This hope will be realized this year during Scout Week when on Wednesday night,

February 23rd, two of the films will be shown in the Community Hall, Beamserville, at 8 o'clock.

These films are enjoyable as well as educational, and should be of outstanding interest to all who are concerned with the conservation of our soil, our forests and wildlife. We feel that Guides and Scouts particularly, if they are to be the best possible citizens of tomorrow, should become acquainted with the need of conserving what were once thought of as "Inimitable" resources. Some of these resources are very near the vanishing point, and the need for conserving and replenishing what remains of them is desperate.

The films and their message are particularly timely, coming as they do when Lincoln County is making a move towards establishing a Conservation Authority of its own. Both films are in sound and colour, and both are reported by people who have seen them to be quite exceptional.

The one, "Expedition Moose," deals with an expedition in co-operation with the Government to make a survey of the life, haunts and habits of this wonderful animal in order to learn how best to preserve it from extinction, and it is said to be among the finest records of the life story of an animal ever made. The other film, "The Conservation Story," deals on broader lines with the more general aspects of the need, and what has been and can be accomplished to preserve for all time the productivity and the beauty of our country.

Every interested citizen is invited, even urged, to come and see these films. Admission is free since Carling's Conservation Club makes no charge for showing them, but a silver collection will be taken to defray costs of advertising and printing to the Division.

The slogan this year of Scout Week is "Preparing for Tomorrow To-day." The Guiders of the Division feel that there is no better way of applying that slogan than in the showing of these films, for Canadians young and old, and Canadians everywhere must awaken to the necessity of conservation if there is to be a Tomorrow for many of the things which we enjoy to-day.

Nina Croot,
District Commissioner,
West Lincoln Division, Girl Guides.

ST. ANDREW'S W.A.

The February business meeting of St. Andrew's Woman's Auxiliary was held in the Parish Hall on Monday afternoon, the 14th, with the president, Mrs. F. J. Burton, in charge.

Mrs. E. A. Brooks gave an interesting report of the Junior Auxiliary and their plans for their Valentine Tea.

Doreen Secretary, Mrs. B. J. Croft, gave a satisfactory report on work being done for the hall and quilting.

Mrs. F. G. Wheeler reported on the correspondence and Mrs. Geo. Hilditch for The Living Message. Mrs. Sutherland, Flower Secretary, spoke of the flowers sent at Christmas-time, while Mrs. J. L. Chambers reported on finances.

Mrs. Wm. Layton, secretary, read the minutes and called the roll, and the president, Mrs. Burton welcomed all the friends, both new and old.

Mrs. Layton reviewed the W.A. deacony meeting, and Mrs. Burton outlined the Diocesan Board meeting held in St. Thomas' Church, Hamilton, last week.

After the meeting all the members of the Senior W.A. attended the Valentine Tea and sale of work and home baking in charge of the Juniors. The Hall was suitably decorated for the occasion.

Legion Auxiliary

The monthly meeting of the Ladies Auxiliary of the Canadian Legion was held in the Legion Club Rooms last Wednesday.

The president, Mrs. R. Walters, conducted the opening and O Canada was sung by the members, with Mrs. Lester Letson at the piano.

Three members were initiated into office by Past President Mrs. George Warner. They were: Mrs. E. A. Buckham, to be on the executive committee for welfare; Mrs. E. Garnham, pianist; Mrs. L. Larson, standard bearer.

Plans were made for a card party to be held in the High School on March 17th.

WEST LINCOLN BIRTHS

Feb. 9—To Mr. and Mrs. Harley Lampman, Beamserville, a son.

TOWNSHIP FARMER

to North Grimsby, where he took over the eighty-five acre Russ farm atop the escarpment.

A portion of the Moyer farm is comprised of fruits, while the remainder is turned over to the growing of grains.

His success in the growing of wheat would certainly appear to be most successful, for his entry for the best yield was high enough to defeat competitors from eleven other Ontario Counties.

The finale call for each competitor to forward two bushels to the Maple Leaf Milling Company, to ascertain which wheat is best suited for milling purposes, and Ron Moyer's entry proved to be top, hence the award, which was presented at the Crop Improvement banquet.

Another North Grimsby Township resident, Eddie Brubaker, a fourth year student at O.A.C. Guelph, was featured at the banquet. Mr. Brubaker giving a very fine address on the Contour Flowering Match held at the College, and which was instigated by the speaker.

FIREMEN HAMPERED

home. Mrs. Laba was down town doing the weekend shopping when the fire was discovered by Walter Laba, a brother of the owner. He ran over a half mile to the scene, while young David Wimack dashed over to the alarm to telephone an alarm to Grimsby.

It was Walter Laba, who broke open the front door with the butt of a rifle, and started carrying furniture and personal effects from the building. The fire seemed to start in the second floor, and may have been caused by an overheated stove pipe.

Although the firemen made a fast run to the scene, it was too late to be of much assistance, and it is doubtful if the new pumpers would have been of much value.

Mr. Laba said that he carried only a "little bit of insurance" and regretted the fact that he had not taken more as he was advised to do just a short while ago.

"I did not take out any more insurance because it is so expensive," said Laba. "But now everything is gone, our home, our clothes and everything, and I regret my decision."

NEW BARTLETT

work and rafters supported by beam block and roofed with aluminum will assure future safety.

"It is so fireproof said Mr. Bartlett, that we do not intend to bother with insurance on some parts of the new plant." However, as a guarantee in case of fire in the future, a tremendous reservoir has been constructed, a capacity of about thirty thousand gallons, this along with regular fire pump and the best available fire fighting apparatus will provide us with a very effective fire fighting measure of our own.

His staff along with those of John Stadelman and Vic Jubliee, have worked steadily, first cleaning up the rubble, and then proceeding quickly with what will be the most modern plant of its kind. Special attention has been given to the section of the plant where the famous Bartlett Microscopic sulphur is ground. Always a stumbling block as far as avoiding minor explosions and fires, the grinding of sulphur will prove more safe than ever before.

Mr. Bartlett paid tribute to the Stadelman firm, who have worked steadily on the concrete portions of the new plant. The task of welding hundreds of sections together has also been capably filled by Vic Jubliee and his crew.

The co-operation of all concerned has made it possible for the rebuilding program to move ahead without a hitch, thus assuring growers of their spring supplies.

Although the grader department was not affected by the fire, Mr. Bartlett has added about fifteen hundred foot of floor space to this department that works steadily trying to fill orders for the famous Bartlett grader which is now sold throughout the world. Staffed by twelve men, Mr. Bartlett said that more men would be needed if he were to meet the orders coming in from England, South Africa, Mexico, Cuba and many other countries besides Canada where the Bartlett grader has long been recognized as the best on the market.

Although he seldom advertises his grader, Mr. Bartlett told The Independent that orders and inquiries continue to come in from many distant points. Often a permit cannot be obtained to fill the requisition, and should this angle be overcome, it is quite likely that the grader department would have to be enlarged again. It was some fifteen years ago that Mr. Bartlett and Peter Robertson turned out the first grader, and even Mr. Bartlett never visualized the success his invention would receive from apple and peach growers.

The Bartlett plant is a busy scene to-day as some forty men

spend in Jordan.

Surviving, in addition to his wife, is one son, Paul, of Montreal. Funeral services were held Monday afternoon.

WORK INCREASING

twelve months particularly in respect to the cost of clothing" said Mr. Wisinger. As a result, greater financial support must be obtained for its protection and preventive work from the citizens of the city and county, if the Society is to continue its efforts to keep children in their own homes with their own parents, rather than in boarding-homes as wards of the Society. Many of these families are at the breaking point not only from the economic standpoint but the moral and spiritual as well. It is in cases like these, that the Children's Aid Society through its social workers, endeavours to play a supporting role in helping parents to work out their many difficulties to their mutual satisfaction.

Mr. Wisinger was commanded by the members of the board for the very splendid manner in which he had been able to present the Society's present financial position and its future course of action in terms of its 1949 budget.

In reporting on the Regional Conference held recently in St. Catharines of the Association of Children's Aid Societies of Ontario, the superintendent made mention of the very splendid support and interest shown by the citizens of the city and county. In all, there were 140 delegates taking in the sessions of the day, with 211 in attendance at the conference dinner in the evening at which time Dr. H. Roy Brillinger, director of the Mental Health Clinic, Ontario Hospital, Hamilton, addressed the group.

The month of January saw 225 children in the care of the local Society, with 91 of these being in approved foster homes on a boarding home basis and 130 in adoption. The Society is also endeavouring to assist 90 unmarried mothers in re-establishing themselves in their own homes and community.

Definition: A small town in the place where they have already taken an inventory of a man's faults.

HIGHEST EMPLOYMENT

The first week of September 1948 showed employment at the highest point ever achieved in Canadian history. Total number of employed persons was 8,942,000; unemployment was at its lowest ebb with a total of only 67,000.

**TURNING THE PAGES OF
"CANADA UNLIMITED"**

Canadian mining industry started with the "Compagnie des Forges" which built the St. Maurice Forges in 1727. For 150 years they processed iron which lay in great deposits along the St. Maurice River.

Mining discovery gave modern Canada birth. Gold was found in British Columbia in 1858. And when, in 1889, Sudbury Mines revealed a fabulous wealth of copper, nickel and platinum, mining became a major industry and a leading world producer of alloys and precious metals.

The great iron deposits of Northern Quebec and Labrador give far-sighted men faith in the future of Canadian mining. They know there's room to grow in Canada Unlimited.

And mining is only one phase of Canada's development. The full story is told in "Canada Unlimited", an illustrated 144-page book published by the O'Keefe Foundation. You may obtain your copy by sending \$3 in cash (no stamps or cheques, please) to "Canada Unlimited", Dept. M-2, O'Keefe House, Toronto, Ontario. All money received will be donated to the Canadian Citizenship Council.

SPORTS

LIKE IT OR NOT PEACH KINGS TOOK IT ON THE SOLAR PLEXIS

To some three or four hundred fans who travelled to St. Catharines last Thursday night, the general feeling was that it is pretty difficult to believe that the Kings were the same team that went on a 11 game winning streak not so long ago.

For forty of the sixty minutes the Kings were a very dismal lot, failing to show even a spark of their former fight. Then in the last period they improved considerably and, outplayed the Masons, who were holding a five to one margin as the final frame got underway.

The lethargy the Kings have been in for the past three league games, to say nothing of those two horrible managerial mistakes—the exhibition games, may gradually be slipping into the past, and the two games this week with Preston and Niagara Falls will be proof positive as to what the Kings' chances are in winning the group championship.

A determined Mason squad, out to nail third place from the faltering Brantford Nationals, who like the Kings have gone to pieces in the late stages of the schedule, waited only fifty seconds to open the scoring, as Denny White beat Lessen on a piece of poor clearing by the Kings' defense.

Veteran Hugh Barlow evened the count at the eighth minute mark, with Glass setting up the play that beat Aime Clement, who was very steady in the hard fought contest.

Howie Duffield pulled a prime minor, drawing an automatic major for shoving his stick after the puck. Cuthbert has a habit of calling the referee infractions and turning his head on those that glare at you.

Eric Adamson, star centreman for the Masons put a goal up, with White drawing an assist. Immediately following this Normie Warner took a beautiful pass and went roaring in only to be brutally chopped down by Welsh, who should have been thrown out for the assault. As it was Cuthbert handed out a minor, and gave the Kings a penalty shot which was taken by Glass. Glass made a very poor attempt to beat Clement, flipping the puck right into the goalie's body. This may or may not have put a different complexion on the game. Musch Miller would have been the logical man to slap a shot past Clement.

Danny White asked for trouble when he ruffled the Glass feathers, and William promptly gave White a face full of fist. Both drew major penalties.

The second stanza saw the Masons score three while the Kings floundered around in a great display of sightless hockey. Reid and Warner were the only two to show anything, with Reid walking with a couple of lovely bodychecks that failed to slow him up. Reid was in the game despite a knee injury suffered in a needless exhibition game.

Frick scored twice, while Croft picked up the third, and Lessen had very poor protection from any of his linemates. There were six penalties, evenly divided.

The Kings had a two man advantage near the end of the period, but failed to beat Clement.

Duffield and Glass set Blanchard up for the second Peach King counter at the 1:30 mark of the final period. Blanchard beating Clement on a perfect play as the Kings started to roll in on the Masons. Despite the fact that the Peaches poured in on the Masons all through the third period, it was not until the fifteen minute mark that they punched through to bring the score up to five to three. Few Dodds go through as Reid carried the play in with Glass.

That was all the locals could manage, the game ending with the Masons completely outplayed, however their early lead proving sufficient to defeat the Kings, who have won three of the four against the dairy team who now sit alone in third place.

Grimshay—Goal, Lessen; defense, Reid, Clancy; centre, Duffield; wings, Warner, Blanchard; alternates Glass, Royle, Dodd, Hutchinson, Barlow, Rountree, Miller, Gluck.

St. Catharines—Goal, Clement; defense, Welsh, Crozier; centre, Adamson; wings, White, Fauteaux; alternates Bell, Blies, Hawkins, Wood, Croft, Frick, Nelson, Wallace; subgoal, Blackwood.

Officials—Jack Cuthbert, Port Colborne; Bob McVille, St. Catharines.

First Period
1. Catharines, White (Fauteaux) :50
2. Grimsby, Barlow (Royle) 7:40
3. Catharines, Adamson (White) 8:56
Piles — Duffield (major), Gluck (minor); White (major).

Fauteaux. Penalty shot called on Welsh, taken by Glass.
Second Period

4—St. Catharines, Frick (Croft) 1:43

5—St. Catharines, Croft (Frick) 7:37

6—St. Catharines, Frick (Croft) 17:56

Penalties — Duffield, Adamson, Royle, Dodd, Blies, Welsh.

Third Period

7—Grimsby, Blanchard (Glass, Duffield) 1:30

8—Grimsby, Dodd (Reid, Rountree) 15:30

Penalties — Reid, Clancy (2).

Frick.

WINONA CLINCH TOP RUNG IN FRUIT BELT

Winona displayed their worst showing of the season against Mt. Hope on Monday night, barely managing to edge out a five to four win. Perhaps the blame can be put on the cigar Doug Whitfield dashed out prior to the contest. But Whit came through with two goals to celebrate his becoming a papa.

The game was a see-saw effort with first one team taking the lead and then the other. Hank Hill came through with two as did Whitfield. Cy Pegg notched the winner with five seconds remaining in the game. Big Ben Mosky had trouble with ref Normie Warner who judged the big guy three times in the first period alone.

Grimshay All-Stars, who claim they are jockeying for a desired position in the Fruit Belt took an eight to one verdict from Birnbrock, who although winless, are the only team in the loop to stick with their own boys from Birnbrock Township. Edwards beat MacMillan in the last play of the game, robbing Alf of a shutout. Guy Winters did the hot trick, while Red Mason scored two. Geddes, Shorter and Konkla, the three Beamerville imports each clicked for singles.

Playing with eight men the hapless Jervines gave Stoney Creek a good go before dropping a three to nothing shutout to Art Webours, who turned in a good performance in the Creek nets. Woods, French and Buley were goal scorers for the Creek, who have shown sufficient improvement of late to be considered as a real contender for the Fruit Belt Championship.

The final three games of the schedule will take place next Monday night at the Arena, the first game starting at seven o'clock.

CANADIAN FAMILIES

In 1947 there were 8,042,000 families in Canada, an increase of 316,700 since the 1941 census. This increase ranged from 11 per cent in the prairie provinces to 47 per cent in British Columbia. Average family size, however, was 2.7 persons as compared with 2.9 in 1941.

SPORTS

FRUIT BELT JUNIORS

Winona 4, Beamsville 1

With one week left in the schedule, Winona consolidated their hold on first place in the Junior Peach Belt League, by turning back Beamsville four to one. Winona's ace line of Mallin, Petruik and Collin accounted for three of the goals, each player netting a single. Speck beat Robertson for the fourth Winona tally.

Beamsville opened the scoring early in the first period. Bob Stewart netted in a loose pack, however Winona came back strong to take the verdict and assume themselves of first place.

Grimsby Lions 6, Stoney Creek 6

Stoney Creek ran wild in the first two periods of their game with the second place Grimsby Lions, building up a six to one lead, however in the final period the Creek attack folded, and the Lions roared back and just managed to even the count at six all before the final bell.

Bruins was the big push for the Creek with three tallies. Both with two and Irvine with one completed the Creek sniper list. The Nelles family came through with three of the six for the Lions. Macrae, Robertson and Mackie also scoring singles.

Fruitland were scheduled to meet the Grimsby Sterlingos. However the Sterlingos were playing their final Junior "C" tilt in Dunnville and so the issue here was left high and dry. Just what the league will do with regard to this game has as yet not been announced. If the Sterlingos forfeit the remaining games it would appear that the only fair move would be to eliminate all games in which the Sterlingos participated through the schedule.

SENATORS WIN FROM DUNNVILLE MUDCATS

The Grimsby Senators, who are awaiting word from the OHA as to when to commence the Intermediate "B" playdowns, got a shot in the arm last week, when in their first start, they handed the Dunnville Mudcats a seven to two reverse on the sticky natural ice of the Grand River Town.

Dunnville had to step up to Intermediate "A" company this year, and have not made much of a showing in this bracket. Stringing along with much the same energy as for the past four or five years, the Dunnville team is a far cry from being a strong entry. They have also been hampered by poor ice, thanks to a mild winter.

The Senators' win was an impressive start for the local, who up to now did not know exactly how strong they might be, and although Dunnville are far from being strong opposition, the Senators left little doubt that they will take some beating in the Intermediate "B" playdowns.

The Senators score three before Dunnville answered. Pegg, Hale and Whittfield all heating a weak Thompson in the Dunnville cage. Boggy Green set Pitts up with the first Dunnville goal at the twelve minute mark. Cartwright, a Winona product gave the Sen's a four to one lead to carry into the second period.

Knight was the big push in the second, scoring twice. Pegg and Jim Henderson assisting on the first, and Demerling on the second. Bill Farrell, who turned in a great performance on the Senators defense, wound up behind his own net and stickhandled right through to score the seventh and final Grimsby tally at the thirteen minute mark of the second period.

The third period was featured by only one goal, this being scored by Dunnville's Hines on a passout from Goldrup.

Mosley, another Winona boy, was very strong on the Grimsby defense, taking out Dunnville forwards with plenty of gusto. Mosley bounded the shifty Boggy Green so hard on one occasion that Boggy wondered why he had not hung up his skates years ago.

All MacMillan turned in a steady game in the Senators nets, and will be a big asset to the Senators in their drive for Intermediate honors.

The Senators had the following team:

Goal MacMillan; defense, Farrell, Demerling, Mosley, Bentley, centre, Cartwright, Knight, Mason, wings, Henderson, Pegg, Hale, Whittfield, Winter, Hill. French was absent as was Terry Jeffries, whose unfortunate leg injury was a blow to the Senators' chances.

First Period

1—Senators, Pegg (Henderson) 5.30
2—Senators, Hale (Cartwright) 8.40
3—Senators, Whittfield (Mason) 9.10
4—Dunnville, Pitts (Green) 12.40
5—Senators, Cartwright 17.20

Second Period

goal, Laddie Popachuk one. Clifford Schwab was good for Canadians securing two of their goals, Fred Nelles notching the other.

Louie played their best game of the season but finally succumbed to Red Wings 4-3. Jim Lawson with two and Terry Verner for Louie. Ronnie Moore and Burton Vermer each notched two for Red Wings.

Third Period

1—Dunnville, Hines (Goldrup) 13.30

Penalties—Cartwright.

Fourth Period

1—Senators, Knight (Pegg, Henderson) 5.50

2—Senators, Knight (Demerling) 9.30

SPORTRAYAL

By "HIGH" McGREGOR

A glance at the standings in "Hockey Parade" will give you some idea about just how close the Senior "B" race has narrowed down. Compiled as of Monday night, by the time this issue reaches the street things may be changed considerably.

Still resting in top spot with thirty points, the Peach Kings must win their game with Preston (last night) and take the Mangs to town in the final fray here this Friday night. As things stand right now, the Mangs, St. Catharines or the Peach Kings could all be the league winners... or tied for first place. If they tie either a sudden death game or a flip of the coin will have to decide the winner. This would be necessary to cover up the stupidity of the

OHA who should have thrown out all the Guelph games so that the goals scored by each team would have been accurate.

The Kings while awaiting their final test are positive in their own minds that they have a good team, although recent performances certainly do not prove that belief. A "homework" schedule plus a flock of injuries certainly raised aid red with the Kings who folded after a great winning streak that placed them on top.

Only in the last period at St. Catharines last week, did the Kings begin to show some of their former power, and everyone awaits anxiously to see if they have snapped out of their slump or if they still remain in a haze which has almost floored Coach McVicar.

Commerce — a family tradition

From Grandad to Grandson, the tradition of saving, and otherwise dealing with The Canadian Bank of Commerce has been handed down in many families. From 1867, when the Bank was founded, the value of "COMMERCE SERVICE" has been recognized by succeeding generations. Good service is a tradition of this Bank.

Your family, too, will appreciate the courteous and efficient service which is available at over 500 branches of this Bank.

**THE CANADIAN BANK
OF COMMERCE**

JOHN HOLDER, Manager

BOY SCOUT-GIRL GUIDE WEEK
FEBRUARY 20th to 27th

Barring further sickness or accident, the team will be at full strength for the Mang contest which without a doubt will be the greatest battle of the entire schedule. First place will be at stake, which is quite sufficient to guarantee fans of a terrific battle.

Two players were signed just before the deadline, these being a husky 220 pound defenseman by the name of Don Gaudruw, and a former Peach King from Beamsville, Peter Talman. It is doubtful if these two will be conditioned enough to be of any use for at least a couple of weeks. "Reserve strength," is the term used for signing the two.

The playdowns will get underway next week, but dates cannot be announced until the issue is settled on Friday night when all six teams take a final crack at the leadership.

Ernie Mason's Grimsby Senators took a seven to two win from the hapless Dunnville Mudcats last week, and although the Sen's are justifiably happy about their debut, they realize that the competition will be stiffer when they get cracking in the Intermediate "B" playdowns.

The fans will get a chance to see the Senators this Thursday (tonight) when they play an exhibition tilt with Brown Boggs of Hamilton, and a week from to-night with the Dunnville team. Both games are scheduled to go at eight o'clock, at the Grimsby Arena.

The Junior Peach Belt League has a big night coming up next Wednesday night, when in addition to the first games of the playoffs, the league is bringing in some fancy skating artists and other entertainment. It should be a good night for those people who like to see the kids turn on the heat to visit the arena. There will be two great games starting at seven, plus the added attraction.

Now that they have taken to giving race horses away to hockey players who score goals, we can hardly expect to see the same happen here. For one thing we just haven't got the horses. Perhaps a basket or maybe even a peach farm would add the incentive.

The horse idea came out of Toronto which is rather unique. In that the Queen City is widely known as Hog Town. Perhaps Mr. Bentley would be better off with a mess of hogs... or does the government of Bentley's home province allow such a low creature as a hog?

John Climb of Star Cleaners is definitely not going to give either horses or hogs away, but he is prepared to give free cleaning jobs to the three Peach King players whom this department select as the three stars of all the remaining contestants to be played.

Here's where we take a couple of players to the cleaners... with no pun intended. I wonder if a little cleaning fluid might not help some of the guys who have been running into the opposition's defense with their heads down. Woops!

Just for the helluvit, here's what we could suggest to the different centres as an award. St. Catharines—free voice lessons from Rex Stimmer, and a booklet on how to become a sports announcer. Niagara Falls—a bottle of undiluted Niagara River water with a picture of their angel Ray Mang pasted on the bottom (of the bottle that is). Crowsley—a special issue of the OHA rule book, with the portion pertaining to protests mark-

ed in red. The book of course, would be bound in real snake skin, and fringed with grass. Brantford—soft Turkish towels with Honest Abe's picture gummied on, and a demerit badge for failing to interest the OHA in how nasty the Peach Kings are.

Sideline Notes—Mike Sweet, Peach King trainer, has been on the sick list... a few former GHS students have formed a basketball team, which in aptly named the Panthers. They intend entering OBA next winter. The Panthers play at the high school gym this Saturday night, might be a good idea for you basketball fans to take a look-see... our own small town "bookies" are giving three to one on the Kings-Mangs tilt this Friday... in favor of the latter... we'll call Peach Kings and St. Catharines to finish one-two in the standing... what's this about Bill Farrell becoming a Peach King... tch, tch... Marham Millionaires are walking away with everything in their combined Senior "B" and Intermediate "A" league...

GRIMSBY PANTHERS TAKE PATHFINDERS

Playing their second game of the year, the newly organized local basketball team, the Grimsby Panthers shaded the Delta Pathfinders, an Intermediate squad from Hamilton, by a count of 43-36 in the G.H.S. Gymnasium last Thursday night.

The game was a rough and tumble affair most of the way and the local boys, after working up a six point advantage in the first half, faded slightly in the second but nevertheless edged out the hard-fighting East-enders by four points.

For the visitors Gardner with 11 and Phine with 10 points were high scorers. With the Panthers ace being Riches with 19, Zimmerman with 8, Scrivener 6 and Mogg with 5. Arkell and Cole each got 2.

The Grimsby team, smartly uniformed in black black and white jerseys are a pretty good ball club who with more practice should be able to hold their own in Intermediate basketball. The team was formed last month with the idea of giving young men around the town who are no longer going to school the opportunity to play basketball and keep in shape. They were given permission to use the High School Gymnasium twice a week for practice and after rounding themselves into shape played their first game with one of the best Intermediate teams in Hamilton. They were beaten 103 to 61 in one of the highest scoring games ever played in the district. Even though the score looks lop-sided the Panthers showed very well in that game which was evenly played until the fourth quarter when the Raiders built up a big edge in the scoring. However, the local club is improving all the time with more practice. And right now are playing as good a brand of basketball as any Intermediate team in the city.

This Saturday night the Panthers will meet the Delta Pathfinders in a return game at the G.H.S. Gym. This time there will be two referees to keep things under control and a close, fast contest should be the result.

Line-up of the Grimsby Panthers

Guards: Alan Scrivener, Doug Cole, Ron Arkell; Edwards, Leroy Zimmerman, Don Mogg, Doug Allison, Don Awde; centers, Larry Paulkner, Jim Riches.

The Panthers would like to see the townspeople come out and support them. If you are a basketball fan, or if you've never seen a game before, come on over to the G.H.S. Gymnasium this Saturday night. The Panthers promise you a good game with lots of thrills and excitement. Game time 8:00.

A HUGE OUTPUT

The gross value of Canada's pulp and paper output for 1947 was \$707,000,000, up 34 per cent from 1946.

FAST SERVICE

On the Trans-Canada Telephone System, operated by Canada's seven largest telephone companies of systems, 80 per cent of the calls are completed while the customer remains on the line.

Classified Advertisements

Classified advertising rates are three cents a word. Minimum 40 cents. Names, addresses and telephone numbers do not count. Where classified advertisements come in over the telephone or are otherwise charged we will only bill once. All extra billings will be charged at the rate of 10 cents each billing. We do not guarantee publication of classified ads. received in our office after two p.m. on Wednesday afternoon. We assume no responsibility for errors appearing in advertisements telephoned in.

Notice To All Concerned

IN THE MATTER OF The Cemetery Act, and IN THE MATTER OF Trinity United Church Cemetery, Grimsby, Ontario.

TAKE NOTICE that in order that the present building may be enlarged, Trinity United Church, Grimsby, Ontario, intends to apply to the Lieutenant-Governor in Council for an order removing part of its Cemetery on Main Street West, in the Town of Grimsby, and removing any bodies buried in such part to vacant lots in another part of the same Cemetery.

The part to be included in such application covers Lots 1 - 2 - 3 - 10 - 11 - 15 - 19 - 23 - 24 - 25 - 26 - 27 - 28 - 29 - 30 - 31 - 32 - 33 - 34 - 35 - 36 - 37 - 38 - 39 - 40 - 41 - 42 - 43 - 44 - 45 - 46 - 47 - 48 - 49 - 50 - 51 - 52 - 53 - 54 - 55 - 56 - 57 - 58 - 59 - 60 - 61 - 62 - 63 - 64 - 65 - 66 - 67 - 68 - 69 - 70 - 71 - 72 - 73 - 74 - 75 - 76 - 77 - 78 - 79 - 80 - 81 - 82 - 83 - 84 - 85 - 86 - 87 - 88 - 89 - 90 - 91 - 92 - 93 - 94 - 95 - 96 - 97 - 98 - 99 - 100 - 101 - 102 - 103 - 104 - 105 - 106 - 107 - 108 - 109 - 110 - 111 - 112 - 113 - 114 - 115 - 116 - 117 - 118 - 119 - 120 - 121 - 122 - 123 - 124 - 125 - 126 - 127 - 128 - 129 - 130 - 131 - 132 - 133 - 134 - 135 - 136 - 137 - 138 - 139 - 140 - 141 - 142 - 143 - 144 - 145 - 146 - 147 - 148 - 149 - 150 - 151 - 152 - 153 - 154 - 155 - 156 - 157 - 158 - 159 - 160 - 161 - 162 - 163 - 164 - 165 - 166 - 167 - 168 - 169 - 170 - 171 - 172 - 173 - 174 - 175 - 176 - 177 - 178 - 179 - 180 - 181 - 182 - 183 - 184 - 185 - 186 - 187 - 188 - 189 - 190 - 191 - 192 - 193 - 194 - 195 - 196 - 197 - 198 - 199 - 200 - 201 - 202 - 203 - 204 - 205 - 206 - 207 - 208 - 209 - 210 - 211 - 212 - 213 - 214 - 215 - 216 - 217 - 218 - 219 - 220 - 221 - 222 - 223 - 224 - 225 - 226 - 227 - 228 - 229 - 230 - 231 - 232 - 233 - 234 - 235 - 236 - 237 - 238 - 239 - 240 - 241 - 242 - 243 - 244 - 245 - 246 - 247 - 248 - 249 - 250 - 251 - 252 - 253 - 254 - 255 - 256 - 257 - 258 - 259 - 260 - 261 - 262 - 263 - 264 - 265 - 266 - 267 - 268 - 269 - 270 - 271 - 272 - 273 - 274 - 275 - 276 - 277 - 278 - 279 - 280 - 281 - 282 - 283 - 284 - 285 - 286 - 287 - 288 - 289 - 290 - 291 - 292 - 293 - 294 - 295 - 296 - 297 - 298 - 299 - 300 - 301 - 302 - 303 - 304 - 305 - 306 - 307 - 308 - 309 - 310 - 311 - 312 - 313 - 314 - 315 - 316 - 317 - 318 - 319 - 320 - 321 - 322 - 323 - 324 - 325 - 326 - 327 - 328 - 329 - 330 - 331 - 332 - 333 - 334 - 335 - 336 - 337 - 338 - 339 - 340 - 341 - 342 - 343 - 344 - 345 - 346 - 347 - 348 - 349 - 350 - 351 - 352 - 353 - 354 - 355 - 356 - 357 - 358 - 359 - 360 - 361 - 362 - 363 - 364 - 365 - 366 - 367 - 368 - 369 - 370 - 371 - 372 - 373 - 374 - 375 - 376 - 377 - 378 - 379 - 380 - 381 - 382 - 383 - 384 - 385 - 386 - 387 - 388 - 389 - 390 - 391 - 392 - 393 - 394 - 395 - 396 - 397 - 398 - 399 - 400 - 401 - 402 - 403 - 404 - 405 - 406 - 407 - 408 - 409 - 410 - 411 - 412 - 413 - 414 - 415 - 416 - 417 - 418 - 419 - 420 - 421 - 422 - 423 - 424 - 425 - 426 - 427 - 428 - 429 - 430 - 431 - 432 - 433 - 434 - 435 - 436 - 437 - 438 - 439 - 440 - 441 - 442 - 443 - 444 - 445 - 446 - 447 - 448 - 449 - 450 - 451 - 452 - 453 - 454 - 455 - 456 - 457 - 458 - 459 - 460 - 461 - 462 - 463 - 464 - 465 - 466 - 467 - 468 - 469 - 470 - 471 - 472 - 473 - 474 - 475 - 476 - 477 - 478 - 479 - 480 - 481 - 482 - 483 - 484 - 485 - 486 - 487 - 488 - 489 - 490 - 491 - 492 - 493 - 494 - 495 - 496 - 497 - 498 - 499 - 500 - 501 - 502 - 503 - 504 - 505 - 506 - 507 - 508 - 509 - 510 - 511 - 512 - 513 - 514 - 515 - 516 - 517 - 518 - 519 - 520 - 521 - 522 - 523 - 524 - 525 - 526 - 527 - 528 - 529 - 530 - 531 - 532 - 533 - 534 - 535 - 536 - 537 - 538 - 539 - 540 - 541 - 542 - 543 - 544 - 545 - 546 - 547 - 548 - 549 - 550 - 551 - 552 - 553 - 554 - 555 - 556 - 557 - 558 - 559 - 560 - 561 - 562 - 563 - 564 - 565 - 566 - 567 - 568 - 569 - 570 - 571 - 572 - 573 - 574 - 575 - 576 - 577 - 578 - 579 - 580 - 581 - 582 - 583 - 584 - 585 - 586 - 587 - 588 - 589 - 590 - 591 - 592 - 593 - 594 - 595 - 596 - 597 - 598 - 599 - 600 - 601 - 602 - 603 - 604 - 605 - 606 - 607 - 608 - 609 - 610 - 611 - 612 - 613 - 614 - 615 - 616 - 617 - 618 - 619 - 620 - 621 - 622 - 623 - 624 - 625 - 626 - 627 - 628 - 629 - 630 - 631 - 632 - 633 - 634 - 635 - 636 - 637 - 638 - 639 - 640 - 641 - 642 - 643 - 644 - 645 - 646 - 647 - 648 - 649 - 650 - 651 - 652 - 653 - 654 - 655 - 656 - 657 - 658 - 659 - 660 - 661 - 662 - 663 - 664 - 665 - 666 - 667 - 668 - 669 - 670 - 671 - 672 - 673 - 674 - 675 - 676 - 677 - 678 - 679 - 680 - 681 - 682 - 683 - 684 - 685 - 686 - 687 - 688 - 689 - 690 - 691 - 692 - 693 - 694 - 695 - 696 - 697 - 698 - 699 - 700 - 701 - 702 - 703 - 704 - 705 - 706 - 707 - 708 - 709 - 710 - 711 - 712 - 713 - 714 - 715 - 716 - 717 - 718 - 719 - 720 - 721 - 722 - 723 - 724 - 725 - 726 - 727 - 728 - 729 - 730 - 731 - 732 - 733 - 734 - 735 - 736 - 737 - 738 - 739 - 740 - 741 - 742 - 743 - 744 - 745 - 746 - 747 - 748 - 749 - 750 - 751 - 752 - 753 - 754 - 755 - 756 - 757 - 758 - 759 - 760 -

Obituary

MISS FRANCES ORTH
Miss Frances Orth, a life-long resident of the Grimsby district, died Saturday at her residence, Ontario Street, Grimsby.

She was in her 93rd year and had been ill only a short time.

Born in Clinton Township, Miss Orth was the daughter of the late Jacob and Susan Orth.

She was well known throughout the district and was highly respected by her many friends and neighbours. In religion, she was a member of the Church of Christ.

The only immediate relative surviving is her brother, Charles, of Beamsdale.

JOHN E. MONAGHAN

After an illness of only a few days John Edward Monaghan passed away in St. Catharines hospital on Tuesday night.

Deceased was born in North Grimsby township on June 17th, 1870, and was in his 79th year. He was the son of the late John and Nancy Monaghan and had farmed and lived at Grimsby all his life up until two years ago when he retired and moved to Salkirk to reside.

Surviving are two daughters, Mrs. Arlo Cooper, Lewiston, N.Y., and Mrs. Irene Lewsey, St. Catharines; one brother, James of Grimsby.

Remains are resting at the Stonehouse Funeral Home until Friday morning when funeral mass will be conducted in St. Joseph's R.C. church by Rev. Father Murphy, at 10 o'clock. Interment will be in Queen's Lawn cemetery.

MRS. GEOFFREY HAMROOK

Mrs. Geoffrey Hamrook of Winona, who had been active in the work of women's organizations in that district for several years, died Monday in West Lincoln Memorial Hospital, Grimsby, following a brief illness.

In her 46th year, she was born in Kent, England, coming to Canada as a young girl. She took a prominent part in the work of St. John's Anglican Church, Winona, of which she was a member. She was secretary of Winona Women's Institute, a member of the Winona

BREVITIES

EVENTS AND TOPICS
of the WEEK in
TABLOID

Town Council meets tomorrow night.

Beamsdale Fair will be a three day event this year, Sept. 8-10.

Optimist Club meets next Thursday night, at The Village Inn.

Provincial Constable Davies of Toronto, has reported for duty with the Grimsby detachment in the stead of Constable Gordon Collier, who has been transferred.

Hydro Electric Power Commission have lifted the restrictions on window lights in stores from seven p.m. to seven a.m. but window lights are still restricted in the daytime.

With 90 new cases of chicken pox reported during the past week, the total cases reported since January 1 took a decided leap upwards to 245. The cases were reported from all parts of the county. During last week there were 64 new cases of measles reported to the St. Catharines - Lincoln Health Unit. This brings the total measles cases reported since the first of the year to 224.

Walter Woods volunteered to act as club pianist. The first dinner meeting of the club is scheduled for Thursday evening, February 24.

OPTIMIST CLUB ARE
NOW FULLY ORGANIZED

The Grimsby Optimists met last Thursday at the High School, purpose of the meeting being to draft committee chairmen and their committees, as well as other necessary business pertaining to the insurance policy of the recently formed club.

A directors' meeting was held prior to the general discussion and committees were appointed, later to be adopted by the club. Committee Chairmen are as follows:

Ways and Means: Harry Tuer.
Boys' Work Committee: Art Arkell.

Program Committee: Frank Devine.

Entertainment: Stuart Amies.

Constitution and By-law Committee: Fred Balbernie.

Reception and Attendance: Jack Clifford.

Welfare Committee: Rev. J. P. McLeod.

Nominating Committee: Peter Marlow.

After considerable discussion it was decided that the Grimsby Optimist Club will meet on the second and fourth Thursday of every month, the meeting to be a dinner meeting in the Oak Room of the Village Inn, at seven o'clock.

Luncheon badges are to be ordered for immediate delivery, these to be purchased by the members individually.

Walter Woods volunteered to act as club pianist. The first dinner meeting of the club is scheduled for Thursday evening, February 24.

Parish Board, and of the Boy Scout Mothers' Auxiliary.

Surviving, besides her husband, are three sons, Robert, Douglas and Frank, all at home; also two sisters, Mrs. John Simkins, Princeton, and Mrs. Lorne Swain, Stamford; and her father and mother, Mr. and Mrs. Geo. Futter, Winona.

Remains rested at the Stonehouse Funeral Home, Grimsby. Funeral services were held in St. John's Church, Winona, on Wednesday afternoon at 3 o'clock, and interment was made in Fifty Cemetery.

MRS. ROBERT H. LEWIS

Mrs. Robert H. Lewis, mother of the mayor of Grimsby, Clarence W. Lewis, died Thursday morning at her residence, 2 Eaton Street, Grimsby.

Her husband, who died a few weeks ago, was well known in municipal life in the town, serving for some time as reeve and councillor of the Township Council and Councillor and Mayor of the Town.

The former Margery Gillespie, Mrs. Lewis was born in Cobourg, Ont., in 1884. She was a daughter of the late Mr. and Mrs. Edward Gillespie.

She had been a resident of Grimsby for a number of years. She was an adherent of Trinity United Church.

Surviving are two sons, Clarence W. and John R. Lewis, both of Grimsby, and three daughters, Miss Grace Lewis, Reg. No. 1, Miss Verne Lewis and Mrs. Armand Hummel, also of Grimsby.

Funeral services were held from her late home on Saturday afternoon with Rev. A. Leonard Griffith of Trinity United church officiating. Interment was in Queen's Lawn cemetery.

Casket bearers were: H. V. Betzner, P. E. Wilkins, G. G. Bourne, Clifford Waite, James Dunham, and Cecil Gowland.

DOUBLE LAKE ONTARIO

Great Bear Lake in the Northwest Territories is about twice as large as Lake Ontario and 4,000 square miles larger than Lake Erie.

The guest speaker, M. A. L. Alexanian was introduced by Albert Papasian. The speaker, a widely travelled man told of his most recent trips to Europe, Asia and Africa, where his efforts to purchase rugs for his business met with success. Aptly named, Mr. Alexanian titled his address, "Around the World on a Magic Carpet."

Travelling nearly forty thousand miles, ten thousand of this by air, he spoke about his visits to Egypt, Lebanon, Syria, Iraq, Pakistan, India, Rome, Paris and London, and told about the religious, political and social beliefs in these vastly different centres of the world.

Roy Bailey extended a vote of thanks to the speaker. Whose talk was enjoyed by the members of the Club.

General Meeting, Wednesday, February 16th, at 8 p.m., Legion Club.

Legion Bingo, Saturday, February 26th, Masonic Hall.

MENS

LEGION JOTTINGS

WEST LINCOLN BRANCH,
No. 127

The Monthly General Meeting was held last night at the Legion Club. The programme for the year's activities was presented to the meeting and discussed.

The second Bingo for this year will be held on Saturday, Feb. 26. There is a change in the method. There will be no individual collection at each game but tickets are being sold for the whole evening.

With the New Year it is a good time to review the work of the Canadian Legion, which in 1938 numbered about 167,000, and now has a membership of over 280,000 ex-service men and women of both wars. This is now steadily increasing.

So many people, even neighbours, ask what the Legion has done, not only for the Veterans, but for the Country. It is therefore proposed to present a survey by postman since 1939, and publish in our jottings during the next two or three weeks as space will allow.

1940

National Veterans Survey—The names of 78,000 World War I Veterans were secured by the Legion, and these men indicated that they would serve in any capacity in the event of War.

Formation of "Canadian Legion War Services" to provide Auxiliary Services to troops in Canada and overseas, and Canadian Legion Educational Services gave counsel to every kind of Service personnel anywhere in the World, including prisoners of war held by the enemy.

1941

Complete mobilization of Canadian Resources—This Brief to the government requested that men being enlisted, be given adequate protection in the matter of pensions and treatment, and careful records be kept of all medical examinations. It also asked that all appointments to Public Service be temporary during War period and requested for re-instatement Legion.

First Rehabilitation Committee

—The recommendations of this Committee of the Dominion Convention have for the most part since been incorporated in the Veterans Charter.

War Effort Speeded Up—Shortly after the recommendation of the Montreal Convention reached the Government, the following War Measures came into effect in rapid succession, increased Income Tax, Excess Profit Tax, Control of War Materials, Wages and Price Control, Control of Luxuries, creation of Air Ministry, organization of a Canadian Army Corps, National Registration, increase in recruiting and equipment for overseas, establishment of a War Committee of the Cabinet. These measures had all been recommended by the Legion Convention.

Defence of Canada Regulations—Many of the Legion's recommendations were included in the final report to the Government by the Parliamentary Committee.

Establishment of Public Information Directorate—This was the fulfillment of a Legion recommendation.

Formation of the Veterans Guard of Canada—This was first recommended by the Legion.

The story will continue next week.

The boys' noon-hour league will continue for awhile as they have 6 Senior teams and 6 Junior teams competing. Last Tuesday the Seniors were using the gym to its full advantage, for 4 games were played.

The Hornets played the Panthers for a 25-24 win and the Spuds defeated the Knights by a score of 25-14. Thursday noon-hour, the Knights and the Hornets fought through an overtime but could not break the 21-21 tie.

Last Friday night the Athletic Club of G.H.S. presented "Club Cupid." The boys are to be highly complimented on their effort. The hall was full at 9 o'clock and couples danced among the snow-white covered tables to all the bands of renown.

The atmosphere was truly inviting and the two solo bartenders, John Martens and Ted O'Byrne, did a fine job. The decoration consisted of traditional cupids and hearts with an effective doorway adorning the stage. The lucky spot-dance winners were Sandy Rogers and Bill Geddes, who hit the spot twice, and Pat Merritt and Bill Parfitt.

Americana, cookies and tarts were served at the tables about 10:30 and the dancing continued until midnight.

The boys wish to extend

their thanks to Miss Pougnet and Mr. Piper who so kindly offered

their services as chaperones to all

who lent tables to make up the

"Cabaret Style"

and to all those

whose assistance made it possible

for them to put on one of the best dances G.H.S. has ever had.

The Junior girls again defeated

Dundas on the whole, a slow game.

Dundas girls were especially slow and didn't put up

too much resistance to our forwards.

In the first half of the game

Dundas kept up to Grimsby, striking

a basket for every one we got.

Then in the third quarter the game

popped up a bit and we pulled

ahead.

Thursky, who is usually a

good shot was not at her best in

this game, however she got six points.

"One" was on top of the

list and took twelve points out of twenty.

The final score was 20-14 for G.H.S.

In her first game this year Francae Smillett twisted her ankle during some fast play. Hope is better in time for future games, Franca.

Forwards: Nowak, Thursky, McVicar, Stepanow, Harrison.

Guards: Clark, Marsh, McIntyre, Sterling, MacMillan.

Our Junior boys also defeated

the Dundas girls on Friday.

The Grimsby boys took the

lead in the first half.

Then the Dundas girls

came back strong.

Both teams

were very good.

Both teams

were very good.
